Kwest 17
(418 MAD LAD)

This is thoroughly condensed version of a phone sex session that lasted around 45 mins! It didn't take much to coax Kwest into doing this. After a good 2 seconds of stroking his ego, he was ready. Overall delivery was very convincing. Kwest receives points for his enthusiasm and sexy voice alone. Fairly standard scenario, with no real creative twist (nothing like candlewax on the nipples or anything). However, his quick wit and sense of humor made our average setting a little more colorful. Kwest has been a hip-hop advocate for 20+ yrs, and an artist for 14. Future plans include more written rhymes and less freestyles. He enjoys cuddling "after" and claims to be an intellectual as well as a freak. "My whole Mind doesn't just dwell on sex 24/7. After we finish making eachother come, I'm sure I can fill your mind up with somethin' too." Watch out for his younger brother, up-n-coming MC "Black Dust."

Girl 69: So I'm in the hotel room alone. I undress to take a shower. Little do I know they've double-booked the room, and you also have a key. While I'm in the shower, you come in, sit down and relax on the couch. When I open the door to the bathroom I'm so surprised to see you there that I let go of my towel. Kwest: And it drops to the floor. Ooh, damn! So they do grow better things than maple leaves in Canada. G: We make eye contact. I move my way toward you and without saying anything, I undress you. K: Mmmm! Ooh, excuse me. G: Oh my goodness, what's that?! I'm such a good Catholic schoolgirl, I've never seen one of those things before. It's my first time. K: Okay, we're laying in bed and you're pressing your behind against me. Mmm. I'm definitely feelin' that! Come here love, turn around let me kiss you...we have this long, deep-tongued kiss. G: Mmm, you have nice, soft lips. K: Love yours too woman. Our bodies pressing against eachother. I'm running my hands between your legs. Ooh! Damn, somebody turned the sprinklers on! I could try to dry it up for you. G: I can't help it. You're turning me on so much! Be gentle. K: (laughs) I'll definitely be gentle. I crawl down between your legs, spread 'em, then begin indulging in dinner-time. I actually break out the knife and fork. G: Mmm, that feels good baby, oh yeah! Come up here let me kiss you, I want to taste it. K: So I un hinge my mouth from your body, and crawl up your body licking and nibbling my way up. I kiss you on your stomach, moving my tongue from your belly button to your breasts, circle each nipple and then run it back up to your neck, in to your mouth. G: Mmm, that feels good. (Giggle) This is funny, I don't even know you. K: Why don't you get to know me love? G: I want to get to know you, I want to know all of you. You have to show me what to do, I've never done this, I need to know how you like it. I want to know exactly how you like it, for the record. K: I like to be licked at first, on the tip. Then just trail your

tongue up and down, and then whenever you're ready, I like to have my balls licked, sucked. You've just licked around my head, lickin' my balls, suckin' my balls and then just come back up and run your tongue all around it. Then swallow the whole thing. If you can deep throat, ding! ding! ding! Taht's a plus. G: I don't know, it's so big! K: Okay, now we're definitely getting in to fantasy! (laughter) Okay, so just keep sucking, I mean really sucking. I don't like girls that suck like: mnah mnah mnah (sloping sucking sound). No little baby sucks like "is this right?" Fuck that! Do it like you been doin' it your whole life! Persistence is the best, don't give up, 'cause I'm like dialin' 911 in the ghetto, it takes me a long time to cum. I guess after maybe 20-25 minutes of alternating just licks, sucks, nibbles, you might get the cream filling. G: Okay, but not the full load yet. K: Maybe, it depends on your technique. So I get to enter now. On your back, legs up in the air. G: I'm very flexible too. K: Ooh! Okay, so legs back almost to your head. G: Or right behind! K: Yeah, I want your feet touching your head right behind it, nothing but open to me. I lift your ass up in both hands and just slide right in. Get a steady rhythm going, just flip your hips and just keep pullin' you in and out, looking dead in your eyes, right at you. Just reading your whole face whether your eyes are closed or open. I pull your leg up from behind your head and turn you on your side, lay down beside you and hold one leg up in the air then fuck you like that for a little while so I can nibble on the back of your neck. You want me to play with your nipples and rub your clit, getting you wetter and wetter. Then, without pulling out I just roll you over on your hands and knees, spread your ass cheeks, so I can get in deeper and deeper, and then just start pounding. I start spanking your ass, rub it a little bit and try to stick a finger up in there. I reach underneath you, cup both your tits in my hands, pull your hair back and talk dirty to you like "yeah mama, you like that shit huh? You like how daddy's fuckin' this pussy?" G: Ooh, it feels so good. I feel like such a nasty, dirty girl. K: Tell me how you like it mama, I want you to be daddy's little nasty girl. Between the pounding and spanking your cheeks should be red. I just keep playin' with your ass and your clit, sticking my finger in your mouth, letting you lick all the juice off it. Then you get on top. I like you facing me, so I can sit up and suck your tits while you ride. Pound your ass into my abdomen and my stomach. G: Would you like me to tease you at the top and then ram it down? Or do you like ramming constantly? K: You can tease, you can alternate teasing and ramming. You're just riding back and forth facing me, looking down at me, head thrust back like "Oh, this shit is so good!" Since you're so little, I'm just flippin' your ass around and pulling you back and forth, up and down on my shit. You tell me you're about to cum and I'm like uh-uh not yet, so I pull you up off of me and get back into missionary. This time I allow for deep, deep penetrations, so I'm putting both legs on my shoulders just bending you back until your ass is up off the bed, and just workin' that pussy until your ass is just ready to come.
