

tion... drugs, you hear about a lot of entertainers involved with drugs, it kinda seems cool in a way, you know what I'm saying? You almost think that's the way you supposed to be as an entertainer, but man, fuck a drug. I did some crystal meth the other night. I had a good time when I was on it, but then I couldn't go to sleep. I was up for two days and shit. I was hungry, but I couldn't eat. I was fucked man, fuck that.

What about mushrooms?

I fucked with mushrooms, that's the shit. I took mushrooms when I was in Canada, as a matter of fact. I was on stage just going through it.

What about the rumor that you're gay?

Nah, that wasn't no rumor.

So it's true?

What I was saying on the song is that there's somebody in the back of they mind thinking that. I'm not gay, I'm just a bitch-ass nigger. Wait, there's really a rumor that I was gay?

There is now, we're starting it.

[laughs] Aah shit! Nah man, nah, I'm no batty boy.

What about cave bitches? Heard you like digging for the white gold.

White gold? It's all good, white gold, shit. China. Black gold, you know what I'm saying? I just dig. I say "Eureka!" That's how I do it.

Anything else?

Through my music, I'ma basically speak pretty much what I'm feeling. After that, my brain just be... I turn it off. I got abstract philosophy that float around in my head, but you know, they not to the level of where I can explain and it'll make sense, you know what I'm saying?

You feel good about coming back out again?

I look at it like, fuck that, it ain't no reason why
